Choose four of the following categories. Cut them out and glue onto your state poster. Add four details in each box on your poster. Use words and colorful pictures.

State Name:________________________________________

Capital city:______________________________________

Date of statehood: ____________________________

What was the most interesting fact you found while researching this state?
______________________________________________________________________________________________
______________________________________________________________________________________________
______________________________________________________________________________________________
______________________________________________________________________________________________

Name and tell about one place in this state that you would like to visit.
______________________________________________________________________________________________
______________________________________________________________________________________________
______________________________________________________________________________________________
______________________________________________________________________________________________

Describe the climate of this state.
______________________________________________________________________________________________
______________________________________________________________________________________________
______________________________________________________________________________________________
______________________________________________________________________________________________

Student Name:________________________________________

Options: Glue on back of poster, or display by poster on wall.
